

SAFE ZONE

All **text** and important **image(s)** need to be **inside** the **safe zone** to avoid being cut.

Be sure to extend your background **all the way to the edge**, for proper full bleed if desired by design.

Flatten design when finished. **Go to Layer > Flatten Image.**

Save file type as a **TIF, JPG, or PDF in CMYK Color.**

Delete these instructions before submitting to Executive Graphix.

Email Artwork to Jobs@ExecutiveGraphix.com

Delete safe zone layer when finished.
